

Learn it, Love it, Live it

CHABAD HEBREW SCHOOL 2019-20
SUNDAYS; 9:45 AM - 12:15 PM

Prek - Kindergarten

A child's first taste of Hebrew school is filled with games, crafts, songs and laughter as we explore the basic Mitzvot with our popular "Mitzvot I Can Do" program. Each child will bring home an adorable "Mitzvot I Can Do" book.

First Grade - Kitah Aleph

Our 1st graders learn how a Torah is made, and experience the timeless stories of the first book of the Torah, Bereishit / Genesis. Through drama, art, and cooking, these stories come alive. Each child will create a "Torah Scroll", a lasting gift to treasure.

Second Grade - Kitah Bet

Our 2nd graders delve into the 2nd book of the Torah, the book of Shemot / Exodus. They explore the early days of our people and internalize their learning with games, crafts, and lots of creativity. Each child will create a unique and special photo book of their Torah experience.

Third Grade - Kitah GimmeL

Our 3rd graders explore a typical house and discover how to turn it into a Jewish home. Each room is filled with Mitzvot, lessons, hands-on discovery, excitement, art and STEM activities.

TORAH TOKENS

EACH SUNDAY, EARN TORAH
TOKENS AND SHOP AT OUR
AWESOME "MITZVAHS R US"
PRIZE STORE

JEWQ

An international Jewish
learning competition for 5th &
6th graders.

NEW

Learn it, Love it, Live it

CHABAD HEBREW SCHOOL 2018-19
SUNDAYS; 9:45 AM - 12:15 PM

Fourth Grade - Kitah Dalet

What is a hero? Who are our heroes? Our 4th graders take a look at many of our Jewish heroes. Beginning their journey with Abraham & Sarah they will travel through the days of the prophets and Kings of Israel concluding with Mordechai & Esther. Each child will collect his/her own set of Jewish Hero cards and record fun facts in their Jewish Hero workbook.

Fifth Grade - Kitah Hay

Our 5th graders will join the exciting International JEW-Q competition! Through lively discussion and hands-on experiences they will study Jewish life cycle events and understand these milestones on a whole new level.

Sixth Grade - Kitah Uav

Our sixth graders get an in-depth view of the workings of the Jewish calendar and expand their knowledge of the significance of many of the special days in the Jewish year.

Through multi-media learning, creative projects and activities, students come to understand and appreciate the pulse and rhythm of the Jewish year.

Bar & Bat Mitzva Class

Our Bar / Bat mitzvah students will study with Rabbi Raleigh and explore basic questions and the foundation of Jewish identity. Study combined with breakfast making, exciting outings and guest speakers, this will be an unforgettable "out of the box" culminating Hebrew School year. In addition, our 7th graders will join the "My Family Story" project. An educational initiative run by the Beit Hatfutsot Museum in Israel. Through a yearlong curriculum, students embark on a fun and meaningful Jewish heritage project. The project culminates in a final art display illustrating each student's personal exploration into their family roots and connection to the Jewish people.

Hebrew & Holidays

Aleph Champ Reading Program

Our students learn to read and write Hebrew using the acclaimed Aleph Champ Program; a karate motivated system where reading levels are divided by color and students move from the level to level, color by color at their own pace. At our Hebrew School, Hebrew reading becomes FUN.

Hebrew Vocab

Students are exposed to the Hebrew language and learn 100 words to add to their Hebrew vocab. We will celebrate our achievement with our exciting Hebrew Vocab BEE.

עברית למתקדמים

Students who are fluent in the Hebrew language will delve into Torah text & experience advanced levels of reading, writing and communication with song, games and motivation.

Aleph Bet Puzzle & Puppets

Our Pre-k & K students learn each letter of the Aleph Bet with song, puppets and hands-on activities. Each child creates his/her own train to take home & treasure.

Jewish Holidays Alive

Each holiday in our school is an exciting experience. Our school wide celebrations make each holiday come alive and our students come to love the traditions, message, and story of each festival.
